LEAD AUTOMATION

Set up automated text/email responses to be sent to all leads right when they come in. Add them to a drip campaign, and get notifications sent to you.

TEXT MESSAGING

Use our Wise SMS text feature to send out bulk texts, single texts, or incorporate video texting into drip campaigns or as an automated lead response.

UNLIMITED DOCUMENT STORAGE

Wise Agent gives you the freedom and convenience to store your files alongside your client's transactions or contact records.

TRANSACTION MANAGEMENT

Customize buyer/listing templates and turn them into transaction checklists that guide and record your transactions.

MONTHLY NEWSLETTERS

Customizable newsletters written monthly in English, Spanish and for a Canadian audience. Sent out to your contacts complete with your personal branding.

DRIP CAMPAIGNS

Customize your very own drip campaigns from our library of stock programs, or create your own that include email, text and video messaging.

LANDING PAGES

Wise Agent offers a powerful landing page platform with many customizable templates to get you started.

MARKETING TOOLS

Create your own Flyers, Newsletters and Letters or customize one from a selection of our stock templates. Send out bulk texts and emails to your contact list.

INTEGRATIONS

We're proud partners with top technology companies enabling us to bring you the most valuable tools for your business.

REPORTS

Stay informed on which clients are reading your emails, which lead sources are bringing in the most revenue, and your team's production with our Reports.

COMMISSION TRACKER

Get reports on your sales, or those of your team, for the month, quarter, or year. See a snapshot of the status of current sales, from pending to complete.

TEAM FRIENDLY FEATURES

Access for 5 team members without any extra fees per account, and no limit to the number of team members that can be added. Set permissions to choose who has access to which features.
